

## SCHEDULE

### International Symposium on Medical Epigenetics 2024

---

#### Day 1                      Monday, March 18<sup>th</sup> 2024, 14:30 - 19:30

---

- 13:00                      Registration
- 14:30                      Welcome remarks by Roland Schüle and Stefan Kass
- Session 1                Epigenetic Mechanisms (Chair: Asifa Akhtar)**
- 14:35 – 18:30          Scientific Talks
- 18:30 – 19:30          Keynote Lecture I
- 19:30                      Reception

---

#### Day 2                      Tuesday, March 19<sup>th</sup> 2024, 9:00 - 17:30

---

- Session 2                Epigenetics in Hematology (Chair: Heike Pahl)**
- 09:00 – 12:15          Scientific Talks
- 12:15 – 14:00          Lunch Break and Poster Session
- Session 3                Epigenetic Drug Discovery (Chair: Manfred Jung)**
- 14:00 – 17:30          Scientific Talks

---

#### Day 3                      Wednesday, March 20<sup>th</sup> 2024, 9:00 - 17:30

---

- Session 4                Chromatin Modifications and Transcriptional Consequences (Chair: Marc Timmers)**
- 09:00 – 12:30          Scientific Talks
- 12:30 – 13:30          Lunch Break and Poster Session
- Session 5                Epigenetics in Development and Disease (Chair: Roland Schüle)**
- 13:30 – 16:30          Scientific Talks
- 16:30 – 17:30          Keynote Lecture II
- 17:30                      Adjourn – Roland Schüle
